A Message from your General Chairman
David “Baci” Bacigalupi

Dear Men’s Club Members,

On behalf of the 2022 and 2021 Men’s Golf Club Executive Committee, we bid you good health and good golf in 2022. We are entering another year of a world devastated with sickness and deaths caused by the Corona virus. It was a sad and trying time for the world, and of course for our golf, and especially for many of our planned tournaments. Unfortunately, as we produce the 2022 Men’s Golf Club Handbook, the restrictions set by State, County and the Villages authorities continues to force cancellation and/or modification of our tournaments.

With this in mind, your Executive Committee will continue to meet regularly to adapt to changing protocols in order to enhance your golf experience. The Executive Committee is planning a schedule to return to tournament play as much as governmental agencies and the Villages allows. At the end of 2021, with the assistance of our Director of Golf, Scott Steele, we were able to experience a very successful Club Championship Tournament, under approved protocols of the Villages Club Board. We will continue to use the protocols and restrictions mandated for golf play.

For 2022, your Executive Committee is setting up a schedule of tournaments we hope to execute during this upcoming year. We ask for your patience and understanding as things may need to be modified or even cancelled depending on the circumstances. Some examples of modifications may be switching to tee times instead of shotgun starts, elimination of food, and scoring systems different from previous years. We will communicate to you frequently in the Villager and through email blasts (very important to have your current email on file) any changes and updates to our schedule.

Therefore, stay safe, hit them long and straight; and feel free to contact any of the Executive Committee members for questions or suggestions.

LOCAL RULES

Golf at the Villages Golf and Country Club is played under the USGA, *The Rules of Golf*. As provided in rule 33-8a, the Committee may make and publish local rules for local abnormal conditions if they are consistent with policy of the USGA. In addition, information regarding acceptable and prohibited local rules is provided in “Decisions on the Rules of Golf” under 33-8 and in “How to Conduct a Competition”.

The Villages Golf Committee (VGC) has established a set of Local Golf Rules to cover local abnormal conditions that may be encountered during golf play at The Villages. The VGC Local Golf Rules are posted in the Posting Room and on the Men’s Golf Club web site.

USE OF GOLF FACILITIES

Rule 1.14 Golf Facilities of the Villages Golf and Country Club (VGCC) regulates the general use of the golf facilities. Rule 1.14 can be accessed on The Villages Web site under “Residents”; “Governance”; “The Villages Golf and Country Club”, “Rules”; “Rule 1.14 Golf Facilities”. The following Rules are excerpted from Rule 1.14.

1.14.1.K Speed of Play

Golf groups that lag behind the field of play by one or more holes must allow a closely following group to play through. Foursomes have priority and, if maintaining proper speed of play, are not required to give way to a faster playing foursomes, threesomes or twosomes. The exception to this rule would be any two-ball match sponsored by one of The Villages golf organizations. A single player has no standing and should give way to a match of any kind.

1.14.3.A.3 **Passenger Golf Carts** (paraphrased)

When a green flag is posted, golf carts may be driven off the cart path at a right angle, directly to the ball, and parked either in the rough or on the fairway. As soon as the ball is played, the cart should exit the fairway or rough and proceed to the cart path or to the next ball position, whichever is closer. Golfers are encouraged to use the most direct route, make every effort to reduce golf cart traffic on the fairways and roughs, and to use cart paths whenever possible. Do not drive parallel to the fairways in the rough.

1.14.4 **18 Hole Golf Course Schedule** (paraphrased)

Monday: Course is open for regular play after 12 noon with a scheduled shotgun. Scheduled tournaments have priority.

Tuesday: The Women's 9 Hole Swingers Golf Club has priority use of the course prior to 12 noon. There is an open shotgun in the afternoon.

Wednesday: The Men's Golf Club has priority use of the course until 12 noon, Open play after 12 noon.

Thursday: The Women's 18 Hole Golf Association has priority use of the course until 1:10 PM, then open play shotgun.

Friday: The Men's 9 Hole Pinseeker's Golf Club has priority use of the course at 10am. The course is open for regular tee times the balance of the day.

Saturday: The golf course is open for regular play, subject to the following conditions: The Men's Golf Club may schedule tournament play a maximum of eleven (11) days in a calendar year and may reserve a block of tee times. Unreserved tee times may be assigned to non-tournament players.

Sunday: The course is open for regular tee time play all day. Scheduled tournaments have priority.

Holidays: The course is open for regular tee time play all day. Scheduled tournaments have priority.

HOLE-IN-ONE INSURANCE**

The purpose of the Hole-In-One (HIO) insurance is to recognize each ACE golfer participant with:

- A) An Award for the Hole-In-One, and
- B) A Celebration Event Reimbursement (CER)

The HIO Award will be in the amount of \$200.00 that will be added to the Ace golfer's "Sweeps" account at the Villages Pro Shop. By policy, the award must be used no later than two years from the date issued, and includes Green Fees.

The purpose of the CER is for the ACE golfer to celebrate his accomplishment, preferably with other members of the Men's Golf Club at the Villages Clubhouse Restaurant/Bistro. The reimbursement will not exceed \$200.00. The CER reimbursement will be arranged by the HIO Chairman after the CER has occurred, and will be credited to the Ace Golfer's Villages House account. The celebration should be held as soon as possible after the HIO is scored, either at the Villages Restaurant/Bistro or at the away course where the ACE took place, but no later than 30 days thereafter. Under special circumstances, the HIO Chairman or the General Chairman may grant an extension at the Ace Golfer's request. In no case will the combined maximum per Hole-In-One exceed \$400.00 (see points 4 and 5).

1. Any member of The Villages Men's Golf Club and other men with an NCGA handicap through our Club may join the insurance plan (but professional golfers are excluded). New members are automatically enrolled in the plan. To withdraw from the plan, contact the Handicap Chairman.

2. The Treasurer shall maintain the Insurance Fund in an appropriate Hole-In-One account. He shall arrange for assessments, usually in increments of \$4.00, to be charged to each member of the plan to maintain the Fund to a satisfactory amount. Assessments will be indicated on the monthly statements issued by the Villages Business Office.

3. To be eligible for benefits of the plan, a Hole-In-One must be made during a round of golf consisting of 9 holes or more played on the Villages 18-hole course or on an away course with at least a Par 70 rating. A hole in one from a temporary tee or on a temporary green is excluded. The score card must be verified and signed by two fellow competitors and the Golf Pro or his Staff, and promptly submitted by the Ace Golfer to the Men's Club Hole-In-One Chairman.

4. Upon verification of a HIO by the Pro Shop and the HIO Chairman, the ACE golfer shall immediately receive a \$200.00 "sweeps" credit at the Villages Pro Shop. The ACE golfer may also spend up to \$200 for his celebration, either at the Villages Restaurant Clubhouse/Bistro OR at the away course where the HIO occurred. Any amount the ACE golfer spends over \$200.00 for the Celebration Event, independent of the location, is his responsibility, no exceptions.

5. The Ace Golfer is responsible for arranging his own Celebration Event. Upon completion of the event, the Ace Golfer will submit a single receipt (including tax and gratuity) to the HIO Chairman for reimbursement to his Villages House account. The reimbursement will be the actual cost of the Celebration Event or \$200.00, whichever is less.

6. The Men's Golf Club Executive Committee administers the Hole-In-One Insurance program, as well as the distribution and payment of these benefits. The Procedures for the HIO Program are subject to change by the Executive Committee.

**This new Hole-In-One process, is intended to become effective on January, 1, 2021. Due to COVID restrictions, the existing process of \$200.00 in "sweeps" credit at the Villages Pro Shop and a \$200.00 Villages Gift Card to celebrate the HIO will continue until the restrictions are lifted. The Men's Golf Club will publish when this occurs.

ETIQUETTE AND PACE OF PLAY

This year the Men's Golf Club is focusing on two aspects of golf at the Villages: Golf Etiquette and Pace of Play. With the help of the other Villages golf organizations, the following has been developed:

Golf is a sport with a skill set, along with etiquette and pace of play requirements. Its purpose is enjoyment, relaxation and sociability. In order to make every golfer's day better it is important that all golfers become familiar with the non-written rules of the game and guidelines that make up playing it.

Etiquette does not reflect one's score but rather how others perceive you on the course and eventually, how willing others will be to play with you. It boils down to respecting the golfers you're playing with and those who are playing ahead or behind you. Be on your best behavior on the course and strive not to upset or offend your fellow golfers.

- 1) Be considerate of other players by not moving, talking or making unnecessary noise when someone is about to swing or putt.
- 2) Do not stand directly behind the ball, directly behind the hole, or on a player's line, when a player is about to swing or putt.
- 3) Don't walk on another player's line on the green.
- 4) Lay the flag down where it will not be in a player's line of putt.
- 5) If you use a suction cup on your putter, be careful not to damage the cup edges.
- 6) Replace divots and add sand if needed, or fill divot with sand mix.
- 7) Rake bunkers and knock sand off shoes and replace rake properly when leaving the bunker.

Pace of play during the course of a game is extremely important. Here are some suggestions:

- 1) “Don’t be a spectator in the cart!” Cart mates should drop one player off at his/her ball and the other player should drive to their ball to prepare for their shot. Currently, single-player carts are preferable.
- 2) Once you have located your ball and are waiting for others to hit, you should think about your upcoming shot.
 - a. Club selection, target, wind conditions and so forth can all be determined while waiting for others to hit.
- 3) A golfer should always be ready to play their shot when it is his/her turn, or alternatively, play “ready golf”. It is OK and encouraged to play your shot when ready, if you are not in the line or way of another golfer e.g. on the other side of the fairway.
- 4) Be ready to putt when it is your turn to putt.
- 5) “Record scores at the next tee”. Do not remain at the green to record scores.
- 6) If someone in your group is not playing ready golf, remind him or her of these suggestions to encourage them to pick up the pace. Remember, there are other players behind you. If you are falling behind the group in front of you, please do what you need to do to catch up.

If these tips aren’t helping you to catch up, let the group behind you play through, or alternatively, **SPLIT UP INTO TWOSOMES** until you catch up. You can then rejoin into your foursome when you do catch up. Two players take 1/2 the time on the Tee and 1/2 the time on the Putting Green. You will catch up sooner than you think.

NCGA AFFILIATION

The Villages Men's Golf Club requires all members to belong to the NCGA (Northern California Golf Association) through the Men's Golf Club. NCGA provides handicap indexes for golfers through the GHIN (Golf Handicap and Information Network) system. GHIN is maintained by the United States Golf Association (USGA) and the staff is composed of USGA employees.

The USGA Handicap Index issued through the NCGA enables golfers of all skill levels to compete on an equitable basis. Each golfer has his own Handicap Index based upon his scores and the courses upon which they were played. The Index is updated after each round based upon the 8 best rounds of the most current 20 rounds played and where they were played. This Handicap Index in conjunction with the course Slope Rating allows players to convert their Handicap Index to their own Course Handicap for any course that has been properly rated.

Members are required to post their scores for every round (9 or 18 hole) of golf played under the rules of golf. Additional details are on the posting room wall poster titled 'USGA Handigram Number 3 Acceptability of Scores: To Post or Not to Post'. Posting scores can be done in our posting room, at the posting station of most other courses, or over the Internet at GHIN.com or NCGA.org. **Failure to properly post in a reasonable time may result in a penalty score being posted for you.**

NCGA conducts many tournaments throughout the year. Our Club sponsors participants in some of the tournaments and encourages members to compete in any NCGA tournament. NCGA also coordinates Team Play (match play) competition between golf clubs all over Northern California. We sponsor two 12-man teams to play in this competition each year. All Men's Golf Club members are welcome to apply. Contact the Team Captains* or the Pro Shop.

New World Handicap System effective January 2020:

Look for more details in the posting room.

IMMEDIATE IMPACT, effective January 1, 2020

Maximum hole score for posting = NET double bogey

- No more ESC table of:
 - 0-9 handicap = max Gross double bogey
 - 10-19 handicap = max 7 on any hole
 - 20-29 handicap = max 8 on any hole, etc.
- Instead, you must identify any hole score that is greater than NET double bogey and adjust your score before posting.

Example: A Course Handicap of 18 receives one stroke per hole for 18 holes; your max score is triple bogey on any hole, which equals a Net Double Bogey. Adjust before posting.

Example: Hole #6 (par = 3, hole rating = 7)

Handicap = 7-9 (1 stroke)

- 2019 = maximum score 5 (ESC = GROSS double)
- 2020 = maximum score 6 (NET double = 3+1stroke+2)

Handicap = 10-19 (1 stroke)

- 2019 = maximum score 7 (per ESC table)
- 2020 = maximum score 6 (NET double = 3+1stroke+2)

Handicap = 20-24 (1 stroke)

- 2019 = maximum score 8 (per ESC table)
- 2020 = maximum score 6 (NET double = 3+1stroke+2)

Handicap = 25+ (2 strokes)

- 2019 = maximum score 8 (per ESC table)
- 2020 = maximum score 7 (NET double = 3+2strokes+2)

You must identify any hole(s) where your actual score was greater than NET double bogey and adjust your total score for the round before posting.
